

Case Number: 19-13588

Plaintiff

Grayson-Bey

Vs

Defendants

Southfield Police Department, Officer Michael Wojciechowski, Officer David Moore and Officer Swade Fox

I Grayson-Bey am filing an objection to continue the case 19-13588

I Grayson-Bey am submitting an objection to the Judge to not dismiss this case. I am responding to all the "alleged" claims with proof. I was pulled over without reasonable cause because I am a Moorish American, not an African American or black, which is stated in the police report and is documented about my traveler's ID being returned, if in fact if the Id was a fraud then it would not have been returned to me, my rights fall under a sovereign citizen and not from a US corporation, and the exhibits I provided show that I was wrongfully held against my will. Moreover, the judge dismissed the case in district court in Southfield Court. And if everything is alleged then my case in Southfield would not have been dismissed. The fact that I spent time in jail and my son was traumatized all while because of the incident my wife lost her job, which caused loss of income and pain and suffering, I am seeking 1.2 million as a relief, for the damages.

This case is about Southfield police department and their attempt to use "color of law" and racketeering practices that's done amongst cities, townships politicians ,police departments and traffic courts to deprive the people of their rights and their properties. Police, city (Southfield police department, city of Southfield) cannot deprive natural people of the unalienable /inalienable absolute right to travel.

Personal Liberties: the right or the power of locomotion of changing one; s situation or moving one's person to whatever places one's own inclination may direct without imprisonment or restraint unless by due course of law.

Upon this constitutional republic form of government, the only thing you owe the public is due care.

Southfield police department arrested me (Grayson-bey), with no probable cause.

Southfield police department introduced fleeing and eluding when officer Moore and officer fox stated that in the police report ,I was not charged with fleeing and eluding, in fact I was not charged with fleeing and eluding(so where is the probable cause), and I have attached it proof, see exhibit 2(police report).

### Color of law definition

Refers to an act done under the appearance of legal authorization, when in fact, no such right existed, it applies when a person is acting under real or apparent government authority.

That is why it is a federal crime for anyone acting under color of law to willfully deprive or conspire to deprive a person of a right protected by the constitution or US law.

We the people (the plaintiff and the victims Assiyah Fateen, Ameer Grayson), the people of the land have the right to pursue life liberty and justice and live in free society.

### Racketeering definition

Racketeering is dishonest and fraudulent business dealings.

### Rico Act

Racketeering influenced and corrupt organization (rico act) is a united states federal law that provides for extended criminal penalties and a civil cause of action for acts performed as a part of an ongoing criminal organization.

### Exhibit 1

(Southfield Police report)

It states that Grayson-Bey did provide a false ID that stated "Grayson-Bey" is a free traveler.

It is not a crime to present a form of representation or ID , the fact that I was not doing any commercial or commerce , it is my right to represent myself the way I see myself, the word false may make it seem like a crime is being committed.

Southfield police department (Officer Michael Wojciechowski, officer David Moore and Officer Swade Fox) are conducting their self like highwaymen.

### Highwayman definition

A highwayman is a bandit, one who robs travelers upon the highway.

They are policy and code enforcers highwaymen, who also as mercenaries .My right to travel upon the land is not a policy, nor is it embodied in a code it is a substantive right of birth, that cannot be abridged or liened upon, thus unalienable and inalienable , I was not doing anything commerce that day.

A word we need to remember in this case is jurisdiction

Jurisdiction means the official power to make legal decisions and judgments that means that one that day Southfield police Department was portraying the highwayman, the judge and the jury. Southfield Police Department violated my fourth amendment with no probable cause, I spent time in Southfield police Department jail against my will.

Again, the definition of kidnap

Take (someone) away illegally by force, typically to obtain ransom.

I Grayson-Bey, Assiyah Fateen and Ameer Grayson are seeking relief for the damages that has caused mental, physical and financial destitution

P.s

It is funny how scared it must be, to be the defendant and have the law staring down at you.

Thanks to Honorable Nancy G. Edmonds, Mag. Judge David R. Grand and anyone who is searching for true justice.

In response to me needing a lawyer and response to me not having a lawyer

I Grayson-Bey as a Moorish American, we are taught to govern ourselves according to the constitution and minorities need representation or a lawyer not adults what is a Moorish American?

Moors/Muurs are the natural members citizens of the ancients all Moroccan empire (North American) and are duty-bound to recognize and to support our "great seal" government and nation of the natural people and command the enforcement of our constitution thus, such organized communication orders are referred to as the great seal national association of Moors affairs: the free Moorish nation inclusive of all aboriginal/indigene tribes and the province of the natural people etc, are the rightful bearer of the names and the title ali,el,bey,dey, al and all future titles created the free Moors/Muurs by freehold inheritance, retain all substantive rights and immunities.

On above listed date and time, Officer Moore and I, Officer Fox, were traveling SB Evergreen in	

CR No: 190040970

a semi marked squad car (#33). Once we approached SB Evergreen & 8 Mile Rd, We observed a Gray Dodge Magnum MI License plate (#DSQ5802)with tinted windows, sitting at pump #10 at the marathon gas station.

Officers verified with Southfield dispatch the License plate number which came back as a felony vehicle for Flee and Elude out of our city on 9/29/2019 (19-39271) per LEIN.

The vehicle exited the parking lot in an unknown direction, Officer Moore and I checked the immediate area for the vehicle. Officers located the vehicle EB 8 Mile at Annchester. The vehicle slowed and continued to drive SB towards Hessell, then The vehicle made a right turn and traveled WB on Hessell. At this time, we activated our overhead emergency red and blue lights, initiating a traffic stop before the vehicle came to a complete stop just East of Evergreen.

Once Officers approached the vehicle, we ordered the driver Javaar Grayson out of the vehicle with both of his hands on the back of his head. Grayson exited the vehicle without incident. He was advised his vehicle came back as a felony vehicle for flee & elude out of Southfield on 9/29/2019.

Officers asked Grayson for his identification, which he then stated his name was Grayson Bey and that he was 46 years old. Grayson failed to provided a Michigan divers license or State issued ID, claiming he was a sovereign citizen and Grayson Bey was the name he chose. Grayson did provide a false ID that stated "Grayson Bay" is a free traveler.

After searching LEIN for the name and age given with no response Grayson was placed under arrest (HC/TC/DL) for misrepresentation.

Upon arrest his person was searched revealing a Michigan drivers license (G625376802856) with the name Javaar Grayson.

Grayson's son (Ameer Grayson) was in the backseat of the vehicle and upon contact, he was placed with Officer Gorecki until his mother (Assiyah Fateen) was able to make the scene to take custody.

Disposition:

Grayson was transported to the Southfield jail where he was TOT jail staff without incident.

The arrest was reviewed by LT. Leon and bond was set at \$250.

CR No: 190040970

Vehicle was impounded by Officer Fair and removed from LEIN by 914.

The false ID was placed into evidence.
